1. What do you like most about nursing? List everything that comes to mind.

2. What are the three things that you wish you had the answer to?
   - 
   - 
   - 

3. What is the biggest challenge of going to school and working?

4. Where do you see yourself in five years?
STEP 3: Formulate your action plan with your mentors’ guidance. Follow up regularly to update your progress or get additional support. Your plan will be fluid and can change throughout the process.

Remember to celebrate when you reach a goal, and then make another one!

List 1 short term goal that you would like to accomplish in the next 6-12 months:

- What steps do you need to take in the first month?
- What additional steps do you need to take?

List one long term goal that you want to accomplish in the next one to five years:

- What steps do you need to take in the first six months?
- What additional steps do you need to take?
