

AUTHORITATIVE COMMUNICATION SCENARIO

A healthcare professional with curly brown hair, wearing light blue scrubs, is seated at a desk. She is holding a white telephone receiver to her ear with her left hand and writing on a clipboard with a pen in her right hand. On the desk in front of her is a computer monitor, a keyboard, and a mouse. The background shows a brightly lit room, possibly a hospital or clinic, with a window and some blurred objects on a counter.

How long have you
been experiencing
diarrhea?

AUTHORITATIVE COMMUNICATION SCENARIO

It has been three days. I've been taking loperamide as instructed, but it's not helping. The diarrhea persists.

AUTHORITATIVE COMMUNICATION SCENARIO

A healthcare professional with curly brown hair, wearing blue scrubs, is seated at a desk in a bright office. She is smiling and talking on a white corded telephone. Her left hand is on the phone, and her right hand is holding a pen over a clipboard. A large black computer monitor is on the desk to her right. In the background, a window shows a blurred view of a brightly lit area, possibly a clinic or hospital. A light blue speech bubble is positioned above the phone, containing the text: "Is there someone who can accompany you to the clinic?".

Is there someone who can accompany you to the clinic?

AUTHORITATIVE COMMUNICATION SCENARIO

Yes, but I don't feel comfortable leaving the house in this condition.
